

Excellence in Oral Communication

(Every Student Benefits)

ENGLISH SPEAKING BOARD Ltd

Spoken English Exams for Short Summer School Courses

Why choose this oral English exam course?

- Suitable for short, recreational or intensive English courses to supplement learning. Students can benefit from this user-friendly exam course alongside other set academic programmes.
- It provides recognition for oral competence by promoting and encouraging effective speaking and listening skills with a practical focus on good communication and presentation skills.
- The exam is easy to prepare for and at a very reasonable price.
- Enables confident, clear, and lively communication and helps build student confidence.
- Emphasis is placed on sharing knowledge, skills and understanding. The focus is more on oral interactive skills within a group setting rather than one to one communication.
